Refunds will be processed according to the “Tuition Refund Policy”. This policy becomes part of this document

Buyer’s Right to Cancel:

You have the right to cancel this contract within three (3) days of signing. You may cancel verbally or in writing.

You have the right to cancel this contract if you are no longer physically able to complete the unit(s). You may cancel verbally or in writing.

General Conduct:

Confidentiality is basic to professionalism and any communication regarding patients outside our professional treatment and/or training circles is prohibited, except as required for the safety of patients, families or others. The ACCC National Board determines this breach and may result in your immediate termination from the program.

The material submitted to your assigned supervisor concerning you and your ministry as a chaplain trainee may be used in the learning process of supervisors-in-training and/or discussion among the supervisors with the understanding that these persons are part of the professional training circle. Your materials may also be used by your assigned supervisor with other ACCC Supervisors and other professionals from who he/she may seek consultation as a part of his/her professional development or as part of research intended to contribute to the field of clinical pastoral education and/or clinical pastoral care. Any use of your materials beyond this center’s professional training circle, unless required by law, is not permitted.

In all of your activities during your chaplaincy training, you agree to function professionally and within the Ethical Conduct as contained in the CSC Student Handbook Code of Ethics. A copy of the Standards containing the Code of Professional Ethics in the Student Handbook has been provided to you so that you understand the requirements.

You will be performing clinical hours at a location to be agreed upon by your supervisor. You agree to abide by all policies and procedures of that site.

I agree to the video or audio recording of my individual or group sessions. They will be used for educational purposes only and will not be available to others without my written consent. I understand that I may request the recording to temporarily stop at any time.

Employment Guarantee and Placement:

I understand that CSC does not provide placement assistance. I agree that obtaining CPE units through CSC or board certification through the Association of Certified Christian Chaplains does not guarantee a vocational chaplaincy position. CPE and board certification are simply requirements for most institutions. Each institution sets its own requirements and applicants must meet those requirements in order to be considered for a position
