

Thank you for partnering with Crossroads Ministries as we bring hope, encouragement, and the love of Christ to seniors in care centers throughout our community.

LOVE IN ACTION

Recently, one of our James Project churches hosted a tea party at a local care facility. Residents enjoyed food, fellowship, prayer, and encouragement. Volunteers decorated the room, served refreshments, and shared handmade cards, bookmarks, and large-print Daily Bread devotionals. The event brought joy to residents and volunteers alike. If you would like to learn how you or your church can host a tea party, contact our office for more information.
