## OWEN-LARSON HOPE HOME UPDATES

We had a write up in the Gazette on the HOPE Home on March 13, 2025. The article was well written and represented our ministry well.

To read the article, visit our website and click on "In the News" under the News tab or use this link: [https://gazette.com/news/new-assisted-living-center-in-colorado-springs-to-offer-unique-model-of-care/article\\_b64b7460-ff56-11ef-b033-97aa03afc6b4.amp.html](https://gazette.com/news/new-assisted-living-center-in-colorado-springs-to-offer-unique-model-of-care/article_b64b7460-ff56-11ef-b033-97aa03afc6b4.amp.html)

On Saturday, March 15 we hosted our first open house at the future site of Owen Larson HOPE Home. We had a great turnout and it was wonderful to share this beautiful home with so many people. The article in the Gazette brought some new faces to the home and we enjoyed sharing more about the ministry with them.

Our next open house will be Saturday May 10 from 10-2 at 9020 Charity Drive Colorado Springs. We hope you can come tour the home with us.

## RODEO ROUNDUP FOR HOPE

Do you like BBQ? Line Dancing? Western memorabilia? Then we have an event for you! Crossroads Ministries is hosting an event for a good cause at the Pro Rodeo Hall of Fame. We are in the process of opening the first Owen Larson HOPE Home later this year and we would love to share more about our unique concept that focuses on the elderly; not profits.

Come learn more about the Owen Larson HOPE Home in a fun filled evening. There will be tours of the Pro Rodeo Hall of Fame and even a time of line dancing lessons!

Seats are limited. Tickets are ONLY \$30 per person with advance purchase required. Visit [www.crossroadsusa.org/event](http://www.crossroadsusa.org/event) to purchase your tickets or for more details.

## VOLUNTEER APPRECIATION LUNCHEON

We recently gathered together with our volunteers for our annual volunteer appreciation luncheon. It was a wonderful time of fellowship. Tina shared a beautiful message on being in God's presence and being devoted. She encouraged us to be devoted with a passion to obey, with a spirit of humility and a servant's heart. Heather lead us in a time of worship and Bill announced the plans of opening the first Owen Larson HOPE Home later this year. We enjoyed delicious food from 4B catering and ended the day with sweet bags from our dessert charcuterie. Thank you to all who volunteer with us in care centers sharing His love with the elderly.
