

The Road to Hope

Thanks to all who came out to our Road to Hope Event last week! We had a great turnout and were thrilled to share more about the ways people can get involved in both Crossroads and the Hope Home. There were booths with hands on activities, wish lists, and takeaways for each area of ministry. We especially want to thank all of the volunteers who manned the booths showcasing these opportunities.

Kay shared about getting out of our "bubbles" and how to show the elderly in care centers that they are loved and valued. She challenged us to find ways to get involved to minister to this vulnerable population.

We also want to thank our sponsors for this event who created a matching challenge pool. Guests were asked to help meet this challenge with the proceeds being split between Crossroads and the Hope Home. We are grateful for Academy Christian Church, Andrew Wommack Ministries, Integrity Bank, The Stuart Group, Bette Vette and Walmart Store #5123 at 5550 E Woodman Road. Your support has been a blessing! We have not quite met the matching challenge. If you would like to donate towards the event, visit our website at:
