

OPERATION GOLDEN CHRISTMAS

Operation Golden Christmas is in full swing at the Crossroads office. We have had several volunteers come in to the office the past two weeks to help sort items, sign cards, prepare the bags and package gifts. We already have close to 500 gifts ready for memory care centers with a handful of facilities left to prepare. We began assembling gifts for the other local care centers this week.

We are still in need of items to gift as well as volunteers to help pack and distribute gifts. Please visit our website www.crossroadsusa.org/ogc to sign up to help or to view our wish list of needed items.

Several other opportunities to get involved are also available. Sign up on our website to help in the office, so we know you are planning to come. Office hours to help with Operation Golden Christmas are Tuesdays from 12-3, Wednesdays and Thursdays from 11-3. We could use more help Nov 20, Nov 25, and the weeks of Dec 2 and Dec 9. We have great food to snack on and it's a fun time of fellowship and serving together!

You can also sign up to host a collection box or to volunteer to help deliver gifts. We would also love it if you could like, comment on and share our posts on social media to help spread the word.

Collection boxes are at several local churches and businesses. Visit the Operation Golden Christmas page on our website to see locations and dates to drop off items at these locations, and as always, feel free to stop by the Crossroads office with items as well.

For many residents, this will be the only gift that they receive. We appreciate your support to help us show them they are loved and not forgotten this Christmas. Thank you for helping make a difference in the lives of the elderly.

We are still waiting on the last inspection before we can open for residents. Please pray for the timing of the inspection, staff hiring and for the first residents of the HOPE Home.
