OPERATION GOLDEN CHRISTMAS

OPERATION GOLDEN CHRISTMAS

This was our largest Operation Golden Christmas to date. We delivered 3365 gifts to 47 care centers and hosted 19 parties/special music/delivery times. We also had 69 Instances of volunteers coming to the office to assemble gifts for a total of 179 hours! What a blessing!

We received this note: "Miss M found your package in her room after the Christmas morning service and was overjoyed to find all the things she loves: a Word Find book and pen, tissues she immediately tucked into her purse for safe keeping, a hat made in her favorite color (purple), and a Christmas message - a special note saying, "we hope we have the chance to get to know you even better in the coming New Year." To this, she emphasized her hope that someone would be coming to visit her! The most precious gift of all, is the relationship you are building through your care."

Thanks again to all who were a part of Operation Golden Christmas this year!

CHARIS BIBLE SCHOOL MISSION PROJECT

We have partnered with Charis Bible College to provide mission projects for some of their students. The first service date was in December. The students came into the office and assisted with inventory from Operation Golden Christmas as well as other projects in the office. In the afternoon, they visited two different care centers to deliver Christmas gifts and host parties. They were blessed by the time spent with the residents and look forward to this month's upcoming project.

HOPE HOME UPDATE

We are actively hiring staff and accepting applications for residents. If you know of anyone who is looking for an assisted living home or of any CNA's who might be interested in working for us, please either visit our website at www.olhopehomes.org or call the Crossroads office at 719-635-5767.
