

OPERATION GOLDEN CHRISTMAS

We are wrapping up Operation Golden Christmas this week. We have had a wonderful outpouring of volunteers come in to the office to help package and deliver gifts to the care centers. It has been a blessing and joy to be a part of this outreach. There is so much excitement and many smiles as we go into the care centers to deliver the gifts.

One resident sent us a card saying, "I was delighted to meet the Crossroads Ministries team and pleased that they prayed with me. They also gave me a red bag with very usable gifts. Thank you for this fine gift."

Another resident wrote: "thank you for the lovely throw blanket and the beautiful hand knit cap you gave me. We are grateful for the ministry you provide, your ministry touches many lives."

Thanks to all who helped with this project. You are making a difference this Christmas!

CHAPLAINCY SCHOOL

Unit 1 is just wrapping up and we will be starting unit 2 on December 29. We have several returning students who will be joined by a new student as well. For more information on the Crossroads School of Chaplaincy, visit our website at www.crschaplaincy.org.
