

THE IMPACT OF FAITHFUL SERVICE

We were blessed with this testimony from one of our volunteers, Angel. We hope it brings encouragement to you as well. Our volunteers are reaching the elderly for Christ! Call or message us to find out how you can get involved in making a difference in the lives of the elderly in care centers.

“For several years, I have had the privilege of regularly visiting a senior living facility where I preach and facilitate a church service for the residents. It has become one of the greatest blessings of my ministry.

As I continued to visit month after month and year after year, there was one particular woman who stood out. She was incredibly hungry for the Word of God and passionate about growing in her relationship with Jesus. Week after week, she would ask thoughtful questions about Scripture and eagerly seek a deeper understanding of God’s truth.

Because of her desire to learn, I began visiting her outside of our regular Sunday services. We spent time discussing God’s Word in greater depth, talking about His great love for her and His purpose for her life. It was evident that the Lord was doing a special work in her heart.

Today, it is a beautiful testimony to see how God has used those conversations. She now shares many of the teachings and materials I have provided with other residents who may be resistant to attending church services or hearing about Jesus. Through her faithfulness, she is helping others become familiar with who Jesus is and understand His incredible love for them.

*Watching God work through her has been truly inspiring. She has become a disciple who is making disciples, reaching people in ways that I never could on my own. **It is a powerful reminder that God’s Word never returns void and that every seed planted in faith has the potential to bear fruit.***

My prayer is that every volunteer serving in senior living communities would recognize the tremendous impact they are making on these precious lives. Your presence matters. Your preparation matters. Your faithfulness matters. The conversations you have, the encouragement you offer, and the love you demonstrate all leave lasting impressions on the hearts and minds of those you serve.

Many residents begin to discover a renewed sense of purpose through these relationships. They are encouraged, strengthened, and often become eager to share the Gospel with others. What a beautiful picture of the Kingdom of God at work!

***Never minimize your efforts. Every visit is an opportunity to plant seeds of hope, faith, and love.** God is using you not only to encourage those you serve, but also to equip them to pass on what they have received to others around them.*

Thank you for your willingness to invest in these valuable lives. Be encouraged knowing that God sees every act of service and every expression of His love. As Jesus said in Matthew 25:40, “Whatever you did for one of the least of these brothers and sisters of Mine, you did for Me.”

May God bless you richly as you continue serving, loving, and making disciples who make disciples.”
